By train Trains from Milan/Genova or from Livorno/Pisa stop at the La Spezia station. There you will find regional trains leaving every hour which take you to Manarola in 10 minutes.

Il Patio is located in Scalinata G. Pezzali 31/A. From the train station (approx. 5 minutes by feet) you should take the tunnel to the village, turn right on the main street and take the first street on the right. After approx. 300 mt, take the alley going downhill on the right. The guesthouse is number 31/A.

By car The motorway exit is La Spezia - Santo Stefano Magra from the A12 Genova-Livorno and A15 La Spezia-Parma motorways. When you arrive at the end of the motorway junction, follow the signs to Cinque Terre. You will find a 15-km scenic coast road leading to Manarola. Leave the car in the car park located right outside the village and keep going toward the seaside, walking down the church square and via Discovolo. Take the street on the left, opposite the pharmacy. After approx. 300 mt, take the alley going downhill on the right. The guesthouse is number 31/A.
